Yellowstone River Parks Association & Audubon Conservation Education Center benefactors of donation

Ron and Jean Smith have been volunteers for Yellowstone River Parks Association and the Audubon Conservation Education Center for a number of years. They wanted to give a gift that would last for years to come. In December, 2009 Ron contacted the Billings Community Foundation to see how they could leave a legacy to these two organizations. The Billings Community Foundation was able to assist them in selling stock to set up endowments for these two organizations and also give a gift now.

They gifted to YRPA for the purchase of the Commemo-

rative Norm Schoenthal Medallion for the fireplace and additional funds to be used for "finishing touches" to the building. To the ACEC they gave a gift to purchase equipment for the

new Norm Schoenthal Web Lab. Ron and Jean were thrilled to hear they were also eligible for the 40% Montana Tax Credit on the endowments

Montana is one of the few states in the country to offer a 40% Tax Credit when giving to a charity. Contact the Billings Community Foundation and we will help you leave your lasting gift. Just like Ron and Jean Smith, you too can make a difference to the organization you are passionate about!

Joliet Community Center recipient of endowment

Neil and Rosemary Isto were long time supporters of the Joliet Community Center. Rosemary passed away a couple of years ago after a lengthy illness and Neil set up an endowment at the Billings Community

Foundation for the Center in Rosemary's memory. Last year before Neil passed away he made a significant gift to the Joliet Community Center Endowment fund he had previously established with the Billings Commu-

nity Foundation. The Center now has a handsome endowment set up under Neil J. and Rosemary Isto Family fund. Neil was a long time friend and board member of the Billings Community Foundation.

The Billings Community Foundation establishes a new Arts & Culture Fund

An anonymous board member of the Billings Community Foundation established a "field of interest" fund for Arts & Culture. It is an area they have had a strong con-

nection to for many years. This field of interest fund will eventually be used for theater, music, arts, dance, cultural development, historic preservation, library programs and museums.

This fund is available to anyone who would like to donate to the Arts & Culture programs in our communities.

The Billings Community Foundation has many "fields of interest" funds that you can give to. Take your pick! Fund your passion in Education, Health, Arts & Culture, Environment and Parks, Community Affairs and Development or support for a capital campaign for the building of infrastructure used for public purposes.

Seminar qualifies for one CPE & CLE hour. Space is limited – RSVP TODAY by calling (406) 248-1114
